### Model Variations

- MATOS Aria Eco 220 R – Solid Door
- MATOS Aria Eco 220 R/G – Glass Door

MATOS Aria Eco 220 R/G

The MATOS® Aria Eco fridge series is a new range of cost-effective European-built Medical and Vaccination Refrigerators featuring the latest technology in controllers and compressors for accurate temperature stability.

### Advanced Controller

Featuring the Carel soft touch controller - accurate to 0.1°C with min/max readings at the touch of a button.

### Lock Fitted as Standard

Maintains security and ensures the unit can only be opened by an authorised personnel.

### Cost-Effective

Built with a High Impact Polystyrene Interior to provide a robust and in-expensive range of refrigerators.

### Solid or Glass Door Options

Solid or glass door options enabling you to select the format which best suits your requirements. Glass doors are double glazed, toughened safety-glass with argon gas between panels for better insulation.

### Auto Defrost

The advanced controller initialises a regular defrost sequence to decrease the chance of ice build-up while maintaining the temperature below 8°C.

### Extended Warranty

Standard 12 month warranty however an extended warranty option is available subject to Terms and Conditions
