*The Matos® Plus Eco freezer series is a new range of purpose built Medical Freezers utilising patented technology. The cabinet and componentry have been specially designed for use in the Medical field.*

## Model Variations

Eco 200 F – Solid Door

Eco 200 F/G – Glass Door

MATOS Eco 200 F

## Interior Finish

All Matos® Plus Eco freezers come with a high quality stainless steel interior and use polyurethane foam thermal insulation.

## Solid or Glass Door Options

Most models come with solid or glass door options enabling you to select the format which best suits your requirements.

## Monitoring capability

Continuous temperature monitoring with sms and email alerts available – ensures a robust complete monitoring record of your product – even with loss of power.

## Lock Fitted as Standard

Maintains security and ensures the unit can only be opened by authorised personnel.

## Energy Efficient

Matos® Plus Eco freezers are more energy efficient and kinder to the environment, meaning the running costs of the freezer are kept as low as possible.

## 3 Year Extended Warranty

When serviced annually by an approved service technician,

## Specifications
