

Rollex Medical are proud to announce our new range of Commercial Refrigeration Cabinets.

Model Variations

UGUR 220 R – Solid Door

UGUR 220 R/G – Glass Door

UGUR - 220 R/G

Internal Light

Featuring an energy efficient LED light as standard, providing perfect product visibility.

Cost-Effective

Built with a High Impact Polystyrene Interior to provide a robust and in-expensive range of refrigerators.

Solid or Glass Door Options

Solid or glass door options enabling you to select the format which best suits your requirements. Glass doors are double glazed, toughened safety-glass with argon gas between panels for better insulation.

Internal Fan

Ensuring efficient airflow within the chamber to ensure your product remains in the required temperature range.

Warranty

Standard 12 month warranty available covering parts and labour NZ wide.

24/7 Temperature Monitoring Options Available

With our MATOS Monitoring technology we have a range of products available which offer you 24/7 automatic temperature monitoring and alerting via SMS / Email when attention is required.

Annual Maintenance Service Option Available

Option available to take up Rollex Medical's Annual Preventative Maintenance Service program.
